### President's Greeting

We are almost at the end of one of the most challenging years many of us have known. Probus meetings have been held on zoom with COVID-19 rolling by our side. We remember members who have passed under difficult circumstances as well as members who have lost loved ones while not being able to be supported by friends due to COVID-19 restrictions.

The management committee wishes you a happy Christmas with family and friends however you are able to connect. May 2021 be a brighter year.

Your President,

Donna Sunter

## Program Committee

**Our December Zoom meeting will be a special program. Steven Henrikson and Keith Conrad are planning a medley of Christmas and contemporary seasonal music and stories to entertain us. They have named it "Christmas in the Village."**

Steven is a bass-baritone with a stellar career as a singer, actor, teacher, clinician, and therapist in North America and Europe. In his retirement he is experimenting with more popular music styles such as Elvis, Johnny Cash and Frank Sinatra.

Keith has played the piano since he was a child. He worked as principal of several Wellington County high schools, and superintendent for the Board of Education. In retirement he held many important community roles including executive director of Hospice.

**How to attend this presentation:** Members will receive an email the day before the meeting, Tuesday, December 8, that will include the link to the **zoom** meeting and instructions on how to attend.

#### **Activities Committee**

Interest in re-activating the Walking Group was raised at our November Management Meeting. With a lot of help and knowledge from Anne Bradley (former leader of the Walking Group) a poll was created on Wild Apricot, asking members of the Walking Group if they would be interested in participating in the Group at this time. As a result, we have a list of 13 members who wish to be a part of an active walking group. We will meet every other week on Monday, on an outside trail, 10 a.m. to noonish, with no driving outside the City. Walking will depend, to some extent, on the weather over the winter.

Our first walk took place on Monday, November 23. Six of us walked Robbie's Path on the Speed River Trail from Woodlawn Road to Victoria Road. Next walk will be Monday, December 7, 2020.
