### **NOVEMBER 2021 NEWSLETTER**

We invite you to join our Monthly PROBUS program **Thursday, November 11 at 10:30 a.m.** Come at 10:00 for Meet and Greet. You can be there either in-person at the Arboretum or on Zoom. Please see the President's Greeting and Zoom Master Corner below for what to do.

Our special Remembrance Day speaker will be Cardinal Thomas Collins, the Roman Catholic Archbishop of Toronto talking about the importance of applying what we have learned from that past, to our present and future.

### **President's Greeting**

Things are looking up for a return to the essential social nature of our PROBUS Club. The first hybrid meeting went well, especially in our new venue at the Arboretum. We are still learning how to make hybrid technology work best for us, particularly the Zoom component. Now we have no restrictions on numbers so our full club membership can attend events at the Arboretum if they wish. BUT you will still have to sign up on the website as we need to know numbers in advance AND you will have to follow the instructions in the invitation regarding COVID protocols. If you have any difficulty registering for the meeting, please

contact either Judy or Jacquie as indicated on your emailed meeting invitation. We all owe a vote of thanks to David Churchill, Judy Carrick and Jacquie Geall-Seabrook for their effort and determination to make these hybrid meetings work.

For your convenience here is the link for those who have not yet arranged for their COVID passport:

<https://wdgpublichealth.ca/your-health/covid-19-information-public/covid-19-vaccine-information/ontario-proof-vaccination>

Now it's time for me to be a little heavy handed. Too many of our committees have a chair and no members. If our members want to receive a newsletter or enjoy these hybrid meetings, we need volunteer involvement. We have been asking for months for a backup person to produce the newsletter and for at least two members to assist on the tech side of speaker support. No experience required just a willingness to learn and help. PLEASE approach me either before or after next week's meeting to discuss this need and sign up to give it a try.

We have an excellent speaker for next week's meeting, our Remembrance Day meeting. We have a solid lineup of programs arranged well into next year thanks to the Program Committee chaired by Kathy Stephens, we have a growing and interesting list of activities under the direction of the activities committee co-chaired by Barbara Moldenhauer and Linda Denny.

Things are indeed looking up. I look forward to seeing all of you soon at the Arboretum

## Membership Committee

PROBUS Guelph continues to grow!

### WELCOME TO NEW MEMBERS

This month we would like to welcome Raija Sakarya, Lynda Davenport, and Darlene Allison to our club. This makes seven new members who have not been officially inducted into the club. We were waiting to get back together in person so we could all meet 'properly', but since the Remembrance Day program is rather lengthy, we're going to hold inductions to the December meeting.

Please share my email with a friend who would enjoy all the community and connection that PROBUS Guelph brings!

## Program Committee

Our Remembrance Day talk will be by **Cardinal Thomas Collins** the Roman Catholic Archbishop of Toronto. He says, "On **Remembrance Day** we think of the past and remember with gratitude the sacrifice of those who died in war. But we also need to reflect on the present significance of their sacrifice, and how that helps us to move into the future. Past, present, and future – these are the dimensions of time, which is the most important environment in which we live. There is much wisdom regarding time in the human tradition, from the wisdom books of the Bible to thinkers such as Augustine, Jean-Pierre de Causade and Samuel Johnson. On Remembrance Day it is especially appropriate to ponder

that tradition of wisdom, and learn from it, as we inexorably glide on the knife edge of the present moment from the past that we leave behind and the future that is ahead."

Cardinal Collins was born in Guelph in 1947 and was educated at St. Agnes and St. Stanislaus Elementary Schools, and Bishop MacDonell High School. He received a B.A. In English and Philosophy from St. Jerome's College at the University of Waterloo and an M.A in English from the University of Western Ontario. In 1973 he was ordained a priest of the Diocese of Hamilton, and after two years serving in a parish and teaching in a High School, he was sent to Rome where he received a Licentiate in Scripture from the Pontifical Biblical Institute in 1978. After teaching Scripture and English at St. Peter's Seminary in London, he returned to Rome, and in 1986 completed a Doctorate in Biblical Theology at the Pontifical Gregorian University, with a dissertation on the Book of Revelation. After several more years as a professor and Rector at the seminary, in 1997 he was ordained a Bishop. After serving in Alberta in Bishop St. Paul and Archbishop of Edmonton, he was named by Pope Benedict as Archbishop of Toronto in January of 2007. He was elevated to the College of Cardinals in 2012 and participated one year later in the Conclave that elected Pope Francis.

At our October meeting, Vicki Olatunden, Executive Director of Chalmers Community Services Centre, gave an interesting, informative presentation, entitled *Chalmers Today*.

She was introduced by Wilma Churchill and thanked by Lu Eccles.
